Nowata Lady Ironmen coaching staff would like to invite you to the 2011 summer softball camp. All campers will be taught and drilled on the fundamental aspects of fielding, throwing, hitting, base-running, character, work ethic, and behavioral expectations of future lady ironmen softball players. We are having the camp early to avoid the heat of the day. Campers are encouraged to bring their own drinks if they want to. We will provide plenty of rest and recovery time and water breaks to avoid heat exhaustion. Guardians/Parents it is your duty to communicate to the coaching staff any medical condition your camper may have so that we may be able to stay on top of the situation and not be surprised.
