Hey Tracy,

Here is a wrap up summary of our Marching Season. Could you post this on the website for a little bit.

Our year of success!!!! The Marching Ironmen had an amazing competitive season. Here is a summary of all our hard work!

Verdigris Big Red Sound Off: Received an Excellence Rating

Glenpool Blue and Grey Classic: In Class 3A drum majors received 1st place and Drum line received 6th place. In Class 3A Blue the band received 2nd place. Overall out of 28 bands Drum Majors received 2nd place and the band 11th.

OSSAA: Received an Excellence Rating

Beggs Marching Invitational: In Class 3A drum majors received 2nd place, drum line received 2nd place, band received 3rd place advancing them into finals and earning them 11th overall.

Some our our greatest comments/critiques from the judges

1. The way you take the field and stand at attention waiting for drum major salute commands attention showing your pride and confidence. Very nice.
2. Every single person in your band is contributing both through marching and sound. That is nice to see.
3. You are a band of 24 but you sound like a band of 100. Very impressive.
4. Drum Majors you lead the band well. Band you follow your drum majors nicely. Great job all around.

From Mrs. Prince: I am so super proud of you guys. You have elevated our band taking us to the next level. I cannot wait to see where we go from here. Keep working hard, you guys are doing amazing things!!!!
